Regarding: CC Docket No. 02-6

Request for Review & Waiver Request

Dear Sir or Madam:

This letter is an appeal of the Funding Commitment Decision Letter for Funding Year 2012 for North Central Local School District. In accordance with the appeal process, I am including the following information:

- Appellant Name: **Daniel Slagle**
- Applicant Name: **North Central Local School District**
- Applicant BEN: **129296**
- Service Provider Name: **Northern Buckeye Education Council**
- SPIN: **143007175**
- Form 471 Application Number: **836210**
- Funding Commitment Decision Letter for **Funding Year 2012**
- Exact text of the decision that you are appealing: **“Given Program demand, the funding cap will not provide for Internal Connections and/or Basic Maintenance of Internal Connections at your approved discount level to be funded.”**

Upon further review of North Central Local School District's Funding Commitment Report, I realized this letter is in reference to our Interconnected VoIP service which is considered a Priority I service. I erroneously entered VoIP in the Priority II Basic

Maintenance of Internal Connections category on my Form 471. Attached is a copy of North Central Local School District's signed VoIP agreement. As you can see, the amount listed on the VoIP contract, \$7,061.00, is the same amount appearing on my Form 471.

It is important to note that I returned to the classroom during school year 2011 – 2012 school year. My main roles and responsibilities were rerouted to fulltime special needs instructor. I am truly apologetic for overlooking the assigned category of service on my 471 RAL and FCDL and missing the deadline to respond. After thoughtful consideration, I hope you will consider changing the Category of Service to Internet Access and award funding for the Pre-Discount Amount of \$7,061.04. Thank you for your thoughtful consideration.

Respectfully Submitted,
